

DO YOU HAVE BULKY ITEMS WHICH NEED TO BE COLLECTED?

Wychavon District Council is working with Focsa Services (UK) Ltd to offer a **FREE** service to homes.

- Each house in the District is entitled to two collections of specific items each year.
- You can request a collection of up to two units between **January 1st and June 30th** and two units between **July 1st and December 31st**. For example a dishwasher is worth one unit and a mattress counts as 0.5 - turn over for a full list of the items included in the free service and their value.

Free collections can be arranged between 9am and 5pm Monday to Friday by calling 01386 760145

WHAT HAPPENS NEXT?

- Items will be collected within ten working days. A specific date will be given.
- The items must be placed for collection outside your home, close to the footpath but still on your property where possible.

OVER TO YOU

- Instead of paying us to remove the items not covered in the free collection scheme - take them to your nearest refuse tip, charity shop or furniture recycling store.

Fridges and freezers maybe taken to the Household Waste Sites at Hill & Moor Pershore or Hanbury Wharf Droitwich.

FOR ITEMS NOT ON THE LIST

- Fridges, freezers and other items not on the list can still be collected but at a charge
- Call Wychavon District Council's Client Services Team on (01386) 565018
